Day Three:

1. Read again John 3: 19-21 and Ephesians 5:8.
2. There are two kinds of “ifs” in the I John passage; one more precisely translates “since or because”, the other translates “perhaps”.
Be brave and sort the types out by verse.
Who are these verses addressing?

3. When are we in the light?

When do we have fellowship?

When do we confess?

When are we clean?

When are we forgiven?

4. What characteristics of a believer do you see in the passage studied this week?
